## March is Women's History Month!

**Who:** Key Seminars and WomenCentric™ LLC have teamed up to present a fabulous program to empower the women involved with your organization!

**What/Where:** Lunch 'n Learn Program/ At a location of your choice

**When?** Women's History Month - March 2006 or another time of choice

**Title:** "Celebrate You: A Woman of Influence!"

Women are amazing! They envision, they nurture, they coordinate, they delegate. From the home turf to global outreach, they are builders of communities, fostering dreams that will positively impact their own generation and those of the future.

**Michele Phillips** of **Key Seminars**, a nationally recognized Motivation Guru and Peak Performance Expert, and **Patricia Simone** of **Write-Communications** and **WomenCentric™ LLC**, a leading Success Strategist and Communications Specialist, have teamed up to provide a poignant presentation that celebrates achievement, inspiring your company's staff, managers, clients and prospects to reach new heights.

### Interactive components include:

- "Vision Vantage" – a positive self assessment exercise
- "Designing Your Personal Success Tool Kit" – a must-have for every woman!

### For any woman who wants to:

- Get more recognition
- Soar with her strengths
- Create her own personal brand strategy for success

### Participants will ...

- Learn what successful women have in common
- Create a strategy that focuses on strengths
- Utilize their life's experiences to heighten inner confidence and chutzpah
